Educational Organisations (POE- Providers of Education)

Affiliated is a general recognition that the POE has modules within its programs that:

1. Offer education in Natural and/or Quantum Medicine.

2. Meets the standards and type of education in Natural and Quantum medicine that is the goal of IMUNE

Accredited applies to specific courses and qualifications that an affiliated POE and IMUNE agree have equivalence. A student may apply to either organisation to have this recognised by:

1. Applying for the equivalent qualification from the other organisation.
2. Applying for credits from a module towards a qualification.

Continuing Education Credits

This logo can be used for courses and seminars that entitle the attendee to CEU's that can be applied to IMUNE International License renewal requirements.
