

## Complete Courses Listing

Issue date 5<sup>th</sup> April 2007.

Credits are nominally equivalent to 10 hours. A 100 hours course is 10 credits. Where you see 1 credit this will require 10 study hours, 4 will require 40 hours, 10 will require 100 hours. The hours include study, assignments, case studies, exams.

For course operator links see below.

All course hours are total- if Quantum Therapist/Specialist has been achieved 60 credits/600 hours are credited

\*\* Approved for CEU only- generally informative but with no assessment

### **IMPORTANT NOTE**

**IMUNE only operates courses marked “IMUNE”**

**For all other courses contact the provider listed- website addresses are below the listing.**

| Module                               | Source | Qualification Level & Credits |     |             |                      |                   |              |                  |
