

IMUNE Trainers Resource Schedule

Issue 1.1 10th June 2006

This release outlines the information that should be reviewed to help you succeed in the Part 1 trainer exam. Much of the information you will already know. We have listed the topic areas and the associated study material. This is also material that will be useful for you in training.

We are aware that questions on Regulation in the USA may be unfamiliar and you may feel it is irrelevant: it is useful knowledge, will probably set the basis for regulation in other countries and QX/Eclasion want you to know it.

YOU MUST ALSO BE DILIGENT IN KNOWING THE REGULATIONS FOR YOUR OWN COUNTRY

AND

IT WOULD BE VERY MUCH APPRECIATED IF YOU WOULD

1. Provide details of regulation in your country
2. Some appropriate questions.

Information sources

The information referenced may be accessible through a number of routes. The sources include:
