

IMUNE Expert- Quantum Biofeedback

The “Expert” learning process builds on the IMUNE International License Quantum Biofeedback Therapist to enable the user to:

- ✓ Deepen their skills
- ✓ Improve efficacy by knowledge of specific subject areas
- ✓ Understand when and how to investigate and address specific aspects
- ✓ Have a more profound practise
- ✓ Have their expertise reflected in an IMUNE International License.

Quantum Biofeedback Expert is specifically oriented to the EPFX/SCIO/QXCI and the integration of deeper facilities into clinical application.

The components are:

1. Study modules
2. Examinations after each module
3. Development of clinical expertise in the module areas
4. Minimum 500 hours of clinical application of the EPFX/SCIO/QXCI prior to course completion.

Prequalification

1. This is an Expert course and it is in the student’s interest that they have foundation knowledge in place- either experience or qualification can demonstrate this. Practitioners with 12 months experience are likely to have the foundation knowledge- 6 months may be adequate. The IMUNE International License Quantum Biofeedback Therapist, QBS, IQBNM IQ101, IQ081/2/3 or equivalent are appropriate.
2. Submit evidence of appropriate clinical experience, preferred 1000 hours clinical experience as a therapist of any Natural Health or Medical Modality.
3. Be in active practise and able to apply learning
4. Have the desire to work deeper.

Approved Providers

IQBNM (12th October 2006)

IQBNM has successfully applied to IMUNE for the following curriculum to be appropriate to the Expert Qualification.

Education

- IQ 300 - The Five Pillars of Health & Nelson Medicine
- IQ 200 - Quantum Hematology
- IQ 301 - Quantum Functional Hormonology
- IQ 401 - Aromatherapy, Neuro-Reflexology, Cosmetology
- IQ 400 - Quantum Taoist Medicine and Acupuncture
- IQ 500 - Quantum Homeopathy and Homotoxicology
- IQ 501 - Quantum Hamer Medicine

Clinical

- IQ 701 - Clinical Application

IQ 701B- Clinical Expertise. 5 days clinical workshop (USA/Canada- other locations according to demand). In the event of difficulties in attending the clinical workshop special arrangements can be discussed to support clinical skills development such as documented 200 hours of application of the study material including some case study submissions.

- The detailed syllabus, study details and costs can be accessed on line at <http://www.iqbnm.org/>
- These courses (with the exception of part of the 5 days clinical workshop Clinical Expertise) are on line.
- The complete study program can be completed in 6-12 months.
- The modules can also form part of the IQBNM Naturopathic certification and will form the basis of a Higher IMUNE qualification.

Applying for the Expert License

1. Complete the course.
2. Complete the Expert Application & submit course completion documentation.
3. Make payment by Cheque or c/card on line or via fax. (\$150 for 2 year International License)
4. Receive *IMUNE International License Quantum Biofeedback Expert*.
5. After 2 years renew at \$100 for subsequent 2 years and submission of 60 CEU's (30 can be general health, 30 are EFPX oriented. A CEU is 50 minutes contact time)

Other Qualification Options

The Expert is designed as a complete course and it is strongly recommended that it is taken as such.. However it is recognised that some Students who wish to undertake selected modules and have this recognised. Contact admin@imune.net for possibilities.
