

IMUNE Senior Academic Board

This is the major review academic body. Its functions include:

- Review of academic proposals and processes formulated by both the Senate and sub-ordinate bodies.
- Academic strategies and policy functions.
- Policy proposal prioritization.
- Review and proposals relating to course natures and contents.

The Academic Board membership reflect established expertise by qualification and/or experience with the ability to contribute across a broad range of modalities and university academic operation. The intention is to ensure a broad and reputable academic representation across a range of modalities and geography.

Current Board members

B Lodhia	Canada
D Davidson	USA
Dr A Bourne	New Zealand
Dr Al Bader Yousef	Middle East

Dr Paul Drouin (USA)

General profile

Doctor Paul Drouin is an M.D. in Canada, as well as a homeopath and C.T.N. Naturopath, who has dedicated his life to the natural promotion of health and the prevention of disease, and to bringing depth to holistic medicine. He has 25 years experience in practicing medicine, 20 of which has also been an exploration into both traditional and alternative methods to further his knowledge of curative, preventive, and integrative medicine.

Dr Drouin initiated the first biofeedback certification for the EPM with the NBCB at the California Institute for Human Science and has taught advanced biofeedback in various seminars in Canada and the United States.

Currently, he is combining his past and present professional expertise in building the Institute of Quantum Biofeedback Naturopathic Medicine (IQBNM)

Education Profile

1974 - Doctorate in medicine, Laval University, Quebec, Canada

1975 - L.M.C.C. - Medical license, College of Physicians and Surgeons of Quebec, Quebec, Canada

1980-1984 - Natural Birth Control Methods Monitor, Billings Method

1995 Education at the Romanian Health Ministry

1997/1998 Bioresonance – Semmelweis Medical University Budapest

1997 Competence in homeopathy – Romania+ Vitoulkas

2002 Psycho-oncology (course)

2004 Headmaster of Integrative Bioenergetic Medicine / Bioresonance

Memberships

1988- Member of AIMMAR (Associazione Italiana di Medicina Manuale et Riflessoterapia)

2001 – Founder president of TAIQM

Silke Polifka (Germany)

Ms Polifka has an extensive experience as a Heilprakter in Germany with an extensive experience in Bioresonance based medicine. She has taught the application of energetic medicine devices and approaches extensively since 1992.

General Profile

Heilprakter: Bioresonance-therapy, Vital-Field-Therapy, Ozon-therapy, Manual Osteopathy, Schöndorf-current-therapy, EPT-therapist; psychotherapy and QXCI/SCIO-Biofeedback

Education and Experience Profile

1975 – 1982: Study of law:

1992: International Chief Instructor of Bioresonance and Electro-Acupuncture

1994 Dipl.Hol.Energ.Med. (Univ. Malta)

1997: state license as healing practitioner + psychotherapist;

1997: own practice in Düsseldorf;; International Advanced Instructor of SCIO-QXCI-EPFX / Biofeedback-Technology;

Dr Alistair Bourne (New Zealand)

PhD. MSc.D.ac.Dip Ch kung. MNZIA.NZCHP.TcM.SbT.

General Profile.

Dr Bourne brings an extensive history of involvement in the practice of Chinese Medicine and in device based bio-energetic approaches to health. He was one of the first in New Zealand to adopt devices as part of a holistic approach to health. He has a profound involvement in research and development of new products and remedies and considerable history in the creation of educational programs.

Education and Experience Profile

Studied Chinese martial arts and medicine on a full time basis for three years eight hours a day five days a week from 1950 to 1954 in the ancient master-disciple way

MSc in Medical Sciences

PhD in Medical Sciences.

Memberships

NZ Charter of health practitioners Inc.

The Bio Energy Research Assoc Inc.

NZ TcM Assoc Inc.

Current Grand Master of Chi Kune Jow Do Kung Fu.

Current president of the NZ Chi Kung and TcM Association.

President of the TcM board of the New Zealand Charter of Health Practitioners for ten years and currently on the registration board.

Three years the President of the NZ society of Natural Therapists and Researchers.

Dr Albin Perz (Austria)

Dr Perz has a strong medical doctor background integrated with Natural Health process and teaching.

General Profile

Medical Doctor 1984 Medical University Graz

Homeopathy studies since 1986

1988 developed a special psycho- acupuncture approach and later a system to implement this - with a very high effect in psychic and somatic diseases.

1988 Bioresonance practice

1991 Developed bioresonance. allergy-test with high accuracy.

1995 Teaching Dr.Bach flower essences

2002 Integrated SCIO into practice.

2003 Scio trainings for beginners, intermediate. and advanced

2005 Established a “ Akademie Wissen fürs Leben” = “Acadamy - knowledge for life”

Education and Experience Profile

- 3 Years practice in medical Hospitals 1988 justification for physician MD Austrian Medical Association.
- 1988 – 1992 medical doctor for problems in the work place.(Austrian Arbeitsinspektorat)
- 1988 Clinic established (homeopathy and psychotherapy)
- 1996 Austrian Homeopathy Association (Österreichische Gesellschaft für Homöopathie)
- 1996 Psychosomatic Medicine (Austrian Medical Association)
- 1997 finished “katathym imaginative psychotherapie” österreichische gesellschaft für allgemeine Psychotherapie OEGATAP Vienna
- ECP European Certified Psychotherapist

Bala Lodhia (Canada)

General profile

Bala Lodhia has a broad practical expertise in Homeopathy and Bioenergetic medicine. His practical homeopathic experience originates from South Africa where his practice involved practical treatment village settings with Narayani remedies. He has been active in Homeopathic practice in Canada for over a decade and established a peer Bioenergetic group in Toronto.

Education and Experience Profile

Homeopathy studies South Africa

TCM acupuncture. The Institute of Traditional Chinese Medicine. Canada

Graduated level 1 1992, Level 2 1993, Level 3 1993.

Advanced post grad level 1994.

Memberships

Ontario Association of Acupuncture And Traditional Chinese Medicine
Homeopathic Medical Council of Canada

Dr Donald Bartram (Australia)

B.D.S, B.Ac., Dip. Health Law

General profile

Dr Bartram has spent over 30 years in naturopathic health including private practice, lecturing, teaching and writing. He has presented internationally, nationally and locally on subjects such as low level laser therapy techniques, non-toxic dentistry, neural therapy, dental acupuncture including diagnostic EAV techniques, energetic water patterns, energy medicine equipment and therapeutic protocols, legal issues and QXCI techniques.

Dr. Donald Bartram initially trained and practiced as a dental surgeon in the UK and Australia whilst gaining experience and qualifications in Homeopathy and Acupuncture. Studies in the 1970's in Electro- acupuncture lead to an ongoing involvement in device based energetic medicine. He was at the forefront of the challenge to mercury amalgams in Australia.

Since the late 1990s Dr Bartram has been Clinical Director of a full-time energy medicine practice with his wife Dr C Bartram in Adelaide. H

Dr Bartram is also a poet, musician (classical guitar and Bagpipes) and a Welsh and Scottish Historian.

Education and Experience Profile

- 1971 Bachelor of Dental Surgery, University of Adelaide, Australia
- 1975 Homeopathic Dental Course, Great Ormond Street Hospital, United Kingdom
- 1979 Bachelor of Acupuncture, College of Traditional Chinese Acupuncture, United Kingdom
- 1980 Speaker at the National Conference of the Traditional Acupuncture Society, United Kingdom
- 1981 Studied Electro-Acupuncture with Dr Reinholdt Voll
- 1987 Studied Dental Applications of Electro Acupuncture with Drs. Kraumer and Turk
- 1988 Studied Dental Applications of Neural Therapy with Drs. Faber and Klinghardt
- 1992 Keynote Speaker at the World Conference of the International Academy of Laser Dentistry, Honolulu, USA
- 1993 Keynote Speaker at the International Conference of the American Academy of Biological Dentistry, Carmel, USA
- 1994 Speaker at the National Conference of the Complimentary Medicine Association, Australia
- 1995 Speaker at the International Conference of the Australian Society of Oral Medicine and Toxicology, Australia

1997 Speaker at the International Conference of the American Academy of Biological Dentistry
1998 Elected Fellow of the Australian College of Nutritional and Environmental Medicine
1999 Keynote Speaker at the 1999 International Energy Medicine Conference, Aust
2000 Speaker at the 2001 International Energy Medicine Conference, Australia
2001 Graduate Diploma in Health Law, Flinders University, Australia
2003 Speaker on Health Law Issues – Kelsey QXCI International Conference, Australia
2004 Speaker for 2 day International Conference - Foundation QXCI Techniques, Aust
2004 Speaker for 2 day International Conference – Advanced QXCI Techniques, Aust
2005 Speaker at 20th Anniversary Seminar – Cancer Care Centre, Australia
2005 Speaker for 2 day International Conference – Cancer Stress QXCI Techniques, Australia

Memberships

- Traditional Acupuncture Society (UK) and served as elected Council Member
- Australian Society of Oral Medicine and Toxicology – Foundation Member, Council Member, State Representative, Legal and Ethics Committee
- International Society of Oral Medicine and Toxicology
- American Academy of Biological Dentistry
- Australian Medical Acupuncture Society
- Australian Complementary Medicine Association
- Environmental Dental Association
- Occidental Institute Research Foundation – Research Associate
- International Association of Laser Dentistry
- British Society for Mercury Free Dentistry
- Australasian Society of Oral Medicine and Toxicology
- Australian College for Nutritional and Environmental Medicine

Publications

Ten Postgraduate teaching books on dental applications of Complementary Medical subjects including Homeopathy, Acupuncture, Electro-Acupuncture, Interference Fields and Low Level Lasers, published by the American Academy of Biological Dentistry.

Dr Hans Bruendler (Switzerland)

General profile

Dr Bruendler is a conventionally trained medical doctor with over a decade of experience in Natural Medicine practice. He has extensive involvement in a broad spectrum of techniques and devices for assessment and therapy, including trainer accreditation for many systems.

Education and Experience Profile

Teacher at the SCENAR-Academy in Germany and Switzerland for SCENAR-Medicine
Designated teacher for OBERON.

Memberships

Senate member International Mediterranean University College,
Holistic Bioenergetic Medicine Association

Dr Igor Cetojevic (Yugoslavia, Cyprus)

General Profile

Dr Cetojevic is a Medical Doctor with qualifications in acupuncture, a strong interest in electromagnetic stress and in simple approaches to health. He has lectured and taught extensively.

Education and Experience Profile

1988: Qualified at the Medical University of Sarajevo.
Chinese Traditional Medicine at The European Center for Peace and Development in Belgrade.
Advanced seminars and hospital experience in Beijing, China.
Diploma from The Indian Institute of Magnetotherapy, New Delhi.
Intensive research on the health effects of geopathic and other radiation affects
QXCI/SCIO biofeedback practitioner since 2001.

Memberships

Medical Association of Cyprus

Publications

Your Health, It's A Question of Balance (with F. Pinoni) Llewellyn 2000

Thomas Aksnes (Scandinavia)

General profile

T Aksnes has a diverse background in media with personal health issues being resolved by energetic medicine. This experience led to the establishment of over 60 Quantum Medicine Clinics in Norway all supported by a specifically developed and comprehensive education program.

Education and Experience Profile

1996-1998: Study of alternative medicine
1998-1999: Study of nutrition
2000 – 2005: Study of quantum medicine
2003-2005: Advanced study of Introspect, DDFAO
2004-2005: Trained nearly 100 people in quantum medicine and how to use our devices with 1-6 months courses.
2004-2005: Lectured at hospitals, conferences within Norway seminars outside Norway.

Publications and Studies

2002–2003: Therapy with QXCI. (Focusing on cancers and allergies)
2003-2005: Therapy with SCIO and Introspect. (All diseases)
2006: Clinical studies program scheduled including double blind study at

Karolinska based on the SCIO device and at the largest emergency clinic in Norway, for Introspect.diagnosis.

Dr. Med. Matthias Heiliger

General profile

Dr Heiliger is a medically trained doctor with specialist experience in Gynaecology and Obstetrics and in Laser and thermo-regulation approaches. He has taught extensively including SCIO-QXCI.

Education and Experience Profile

1978: Qualified as Medical Doctor, University at Cologne and Aachen, Germany

1984: Gynaecology and obstetrics specialist

1985: Private gynaecology practice in Aachen, 17 other medical doctors (all specialized faculties).

1985- Operator of a own Day Clinic with 3 operation rooms and 14 beds medical centre.

-Operator of Department of Gynaecology and Obstetrics in St. Franziskus Hospital in Aachen, Germany.

1988- Head of a huge laser centre in St. Franziskus Hospital, Aachen.

-Head of education centre for laser assisted MIC (micro invasive surgery).

1978- Member of the development department for thermo regulation medicine at the university of Heidelberg.

2001- Establishment of laser medicine departments at the Royal Hospital of the Royal Family Hussein the 5th in Casablanca and Rabatt, Morocco, North Africa.

2003- Development of an active aging for Bahrain, Royal Family Bint Al Califa

2004- Co-Foundation of Wellness Trust, Healthy Aging,

Dr K Wilson

General profile

Kathy Wilson came to natural medicine through personal health issues with energetic medicine being a significant factor in her health restoration. Her professional development has been continual and she regularly trains in energetic medicine technology and application as well as being a major responder to device user application queries.

Education and Experience Profile

1979 BS Psychology & Criminal Justice, Western Michigan University

Iridology certifications Levels 1-3 completed

2006 ND – Trinity College USA.

Dr B Licht

General profile

Dr Licht has a strong background in the importance of nutrition in health complemented by practical expertise in hypnotherapy and oriental medicine.

Education and Experience Profile

1969: Dietician Pratt Institute, Brooklyn, NY

1993: Reiki Master

Doctorate in Clinical Hypnotherapy .

Oriental Medicine

BS in Food Science & Management

Dr Charles du Randt (South Africa)

General profile

Dr. Randt, a Naturopath, practicing as a health clinician, is the founder member of "METABOLE"– the first and thus far the only clinic in South Africa where therapeutic nutrition is being practiced. More than 30 000 people have benefited from this system. Dr Randt has experience in QX, Bemer, Live Blood, Ozone and Rife technology.

Education and Experience Profile

1971: Bachelor Commerce

1986: CIS

1988: MDP

1990: Naturopathic Practice

1999: ND

Memberships

Allied Health Professions Council of South Africa. as a Dr of Naturopathy.
Biological Medicine Association of South Africa as a professional.

Publications

Demonised Doctoring ISBN 0-620-24243-4

Many articles, lectures and presentations.

Dr John Kelsey (UK)

General profile

Dr John Kelsey, PhD, has a history of involvement in teaching and natural health. He has a primary interest in optimizing both the process and professionalism of natural health education. He has contributed significantly to the education and training process now in place for the EPFX/SCIO/QXCI system. He has been presented at numerous seminars worldwide in several energetic medicine systems.

Education Profile

1971- Bachelor Engineering

1975- PhD

1996- Dip. Energy Field Therapy
1997- Craniosacral Therapy 1
1997- Cert. Person Centered Counseling
1998- Dip. Nutrition
2003- Naturopathic Studies (ongoing)

Experience Profile

1971-1973: Research into process for indigenous resource processes.
1976-1979: Higher education lecturer.
1979-1999: Technical and Training Director, Industrial Waste Water Company.
1999- User manual authoring, training development, Naturopathic Practice,
Counselling
